

College Planner for Juniors

2009

Congratulations Juniors, you've made it this far. The real work is ahead of you. By now you've taken the **PSAT/NMSQT** in the **Fall** of your junior year. You've taken a rigorous course schedule and are on your way to finishing graduation requirements. Perhaps you are signing up for AP courses or choosing one of the many electives offered at your school. Hopefully you have had an opportunity to attend an enrichment program or travel out of the country. All of that work prepares you to be as competitive as possible in applying for college admission. Take time to talk with parents, teachers, guidance counselors and classmates about college and what to expect.

* Most important reminder - **Pay Attention to Deadlines!** Check due dates.
